

# CFFO DISTRICT BOARD SCHOLARSHIP

## *2025 Application Information*

The purpose of the CFFO District Board Scholarship program is to encourage the pursuit of higher education in students who wish to enter agriculture and agri-food-related fields.

The CFFO believes that solid academic training is a major factor in the emergence of effective members of any profession. The CFFO also believes that it has a duty to support the development of future leaders in Ontario agriculture. Thus, certain boards have agreed to step up and support students in their area with the allocated amounts listed on the website.
